16th Annual Keeping the Faith Breast Cancer Survivors' Luncheon, a Celebration of Legacy and Living Legends

Saturday, October 19, 2019 – Nugget Casino Resort Sierra Ballroom | 1100 Nugget Ave., Sparks, NV 89431

12:00p.m. - 3:00p.m. (Health & Wellness Marketplace opens at 10:00a.m. for vendor shopping)

The Keeping the Faith Breast Cancer Survivors' Luncheon is an annual event to celebrate breast cancer survivors and to honor the legacy of those who inspire us. The event is named for Faith Fancher, who was a senior reporter with KTVU TV in Oakland, California. She allowed KTVU to report on her breast cancer fight not to bring attention to herself, but to encourage women to be vigilant, to be tested, and to be brave. Learn more about Faith's legacy at www.faithfancher.org.

As a Table Captain, you are the heartbeat of this celebration. You make it successful and loads of fun!

We have found that the majority of attendees come from Table Captains identifying survivors and supporters; and not mass marketing efforts. Therefore, the luncheon invitation will only be sent to survivors on our mailing list. It will also be available for viewing on the [Breast Cancer Survivors' Luncheon](#) page of our website and can be printed in PDF. The invitations will be mailed on or about September 9th.

Protocol for your reserved table(s) of 8:

1. Tickets will be available starting **September 6th** on the [Breast Cancer Survivor's Luncheon](#) page of our website. Guests can purchase tickets until **October 14th**. The ticket types are: \$10 Survivor, \$25 Supporter, and \$15 for children 12 & under. **Survivor Tickets are only available at the \$10 price and children's tickets at the \$15 price until October 5th after which all tickets are \$25.**
2. Familiarize yourself with the ticket gallery in case your guests have questions.
3. If a paid guest cannot attend, notify us ASAP via email. Their amount paid will be considered a donation **UNLESS** you indicate that you have transferred the ticket to someone else **AND** give us the contact information for that guest. If on **October 15th** your table does not have 8 people, Revivals will assign guests to your table.
4. Guests can valet or self-park. If they come through the main entrance of the hotel, they will take an immediate left up the escalator to the ballroom.
5. At the event, guests will check in with the volunteers at either the Survivor Table or Supporter Table, as in previous years. They will give their name and receive a meal ticket to place at their table setting and a ticket for door prizes. Their contact information will be updated if necessary.
6. If you [Table Captain] are purchasing multiple tickets, and do not know the name of the guest, indicate "guest" as the ticket information. You must provide Revivals with the guest's name and meal choice by **October 15th** so that we can draft their meal and door prize ticket; otherwise you will be required to meet your guest(s) in the lobby and escort them to the appropriate check in table (their ticket will be listed under your name and Revivals will make the meal choice. You should stay in the lobby until all your unnamed guests gain entry.)
7. Feel free to contact me if you have questions about your guest list.

This year's celebration is all about playing games in addition to music, movement, and humor. We find that these are effective anti-depressants.

Celebration Highlights

- ❖ Beat Breast Cancer BINGO features 10 games.

- ❖ Guests are encouraged to wear Let's Make a Deal attire for a chance to be selected to play the Deal game.
- ❖ There will be a mixture of old and new school jams from my playlist. If you have a favorite song, email me the title and artist so I can add it. Guests will be more pumped to hit the dance floor if you are out there.
- ❖ Survivors will be randomly selected to grace the mic to share a milestone moment.
- ❖ The Battle Born Dollz are in production of the 2020 Calendar and it will be available at the luncheon for a discounted price. 100% of the proceeds will benefit Revivals. After the luncheon, calendars can be purchased on line. Survivors will be able to sign up to be calendar girls for the 2021 edition.

VENDORS ONLY: Visit the [Breast Cancer Survivors' Luncheon page](#) to obtain the vendor letter and the application so we can confirm your set up needs. We want to do a special Facebook post ad for each vendor.

If you want to be featured on the website, email your photo. In addition, send a narrative about why you are a Table Captain or a description of your business if you are a vendor. Of course being a part of our website is optional and NOT a requirement for Table Captains. **Help us promote the luncheon using the Social Media tag line: #survivorskeepthefait2019.**

I look forward to celebrating another year of survival with you. If you know of someone who wants to be a Table Captain (or vendor), have them contact me by phone or email. A text message is better for me because sometimes I am in an area with poor cell reception. If you have received this letter and no longer desire to be a Table Captain, please contact us and we will remove your name from our list.

Smooches, Elaine
